**NARRATIVE:**

Stephen Zaragoza is a documented gang member with an extensive adult criminal history that began at the age of 18. His convictions include assault with a firearm, multiple cases of possession of a firearm by a felon, assault causing great bodily injury, multiple cases of possession of a controlled substance for sale, possession of a controlled substance with a firearm, evading peace officers, forgery, manufacturing controlled substances, false identification to a peace officer, possession of a switch blade, resisting arrest and failing to report. He has served multiple prison terms the longest being a four year term for manufacturing controlled substances. Zaragoza was released from state prison to the supervision of the Los Angeles County Probation Department on June 22, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in February 2015 after he absconded from post release community supervision (PRCS). Zaragoza qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of a controlled substance for sale is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
